

Career Day Educational Workshops

The Boomers' Educational Workshop is just the thing students need to help them learn, HANDS ON. They see the benefit and practical applications of their classroom lessons.

The Boomers! Educational Workshop curriculum Guide is provided to be used in the classroom. This should take approximately one class period to prepare for the visit and one class period to review and complete the packet afterwards.

THE EXPLORER \$10.00

On the day of the scheduled trip to Boomers, the students will receive a Behind the scenes Tour of Park, One Career Presentation and Lunch including (1) slice of cheese pizza, chips, and a beverage.
